Toronto, ON Canada

## Become a Sponsor!

For the past two decades, the **Canadian Stewardship Conference** has been Canada's principal forum for industry, government and other stakeholders to engage in serious dialogue about Product Stewardship, Extended Producer Responsibility, and the Circular Economy. Typically drawing more than 400 delegates from across Canada and around the world, the Conference focuses on industries and organizations that assume financial and environmental responsibility for the end-of-life management of products they sell, as well as the many agencies, suppliers, service providers and other partners that help them meet those commitments.

**WE ARE PLEASED TO ANNOUNCE THAT**

**Our Conference  
Partner for 2024 is...**
